

Girls in the Spotlight Club Leader

Onboarding & Training Information

We believe intentionally bringing people in and empowering individuals with information is a tremendous way to set someone up for success. It takes time and effort on everyone's part and well worth the outcome. This step in the process is fee based and then the curriculum for the specific season is made free to you because we believe the more club leaders we empower, the ripple effect of girls empowered will be more than we ever imagined.

What to Expect

- You will select one of three dates to join an online Onboarding Session:
June 29, June 30 or Aug. 5
- The 90 minutes session will be conducted via Zoom.
- You will gain access to a Google Drive folder.
- You will be invited to join a private Facebook group.
- Throughout the season materials will be made available through the FB group page.
- Optional online meetup once a month with other club leaders.
- Opportunity to share photos to post to our social media accounts (Instagram & Facebook)

What You Will Need

1. Access to the internet and a laptop, Chromebook or iPad to connect to the onboarding sessions and weekly materials released via Facebook during the season.
2. Time set aside to review lesson plans prior to your girl's club session.
3. Confirmation that you have access to a space to conduct the club meetings.
4. A network of families of girls in grades 3-5 so that you can recruit at least 5 girls for your club.
5. If you have a larger group of girls you want to serve, you will want to recruit a co-coach.
6. A willingness to spread the word about your club and garner interest.
7. Ability to order the supply kit contents needed each season (guided journal on Amazon & [COLORpocket](#).) This can be paid for by each girl, you could get a sponsor or donor, or you could pay for it. Each supply kit is roughly \$25.
8. As we tell the girls, energy & enthusiasm – you are affecting young girls' lives and are a role model!
